**General Business:**

Air conditioning not viable at present. Indooroopilly S.S has installed A/C at a cost of > \$100000.00 will require contribution of \$100 per year per child to maintain A/C.

Damian suggested solar panelling. Has been investigated in the past and is not viable at present.

Jenny suggested planting trees to shade classrooms. Requires professional advise, huge expense in the past removing trees after storms.

Tony Stevens suggested science initiative for environmentally friendly solutions.

Whirly vents suggested. One classroom will have temperature recorded and a number of whirly vents installed. Temperature will be monitored and if significant improvement the P & C will support the installation of vents in other classrooms. **Approved**

Beautification of school put on hold. Not enough funds.

Major Fundraiser for this year will be the cross-country run by sports committee. Sports committee receive 25% and P&C 75%.

P&C looking into net banking to pay wages

Set down area. Suggestions include. Lengthen area to allow more cars. New area by pool gate. New path that does not require children to walk across driveway. Parents should not park in set down area. All children should be waiting by 3.10pm traffic should be moving easily by this time. Angela will speak to teachers re. children who wait at set down point to be moving to this area quickly.

Rubbish removal large amount. Needs to be crushed then burnt by Fire dept. Other options expensive. Working Bee not possible due to risk of injury (insurance)

Email Agenda Agenda to be produced. Items can be added before meeting. Items raised at each meeting not on agenda will be put forward for next meeting. Aim to reduce time of meeting by managing discussion topics.
