NEXT P & C MEETING – 17TH SEPTEMBER, 6:15PM, SCHOOL STAFF ROOM!!

MATERNITY LEAVE – HELP!

WRITE THESE DOWN!

As you may know, the P & C Secretary is due to have her 3rd baby in just **5 weeks!!**

So we desperately need someone to help us out while she is unavailable. All you would need to do is take and type up minutes, and submit a short newsletter every 2 weeks.

This will be even **easier** than you think as she is going to provide you with the computer files for both, so all you have to do is type the info into the spaces provided and its done!

Even if you can't come to meetings but would like to try the newsletter, or visa versa, **that's great!**

Please let us know **now** and allow our Secretary the time to rest and prepare, and then enjoy the baby without having to worry about us as well.

RETIREMENT THANKS

The P & C received a lovely card this week from recently retired Grade 7 teacher **Judy Murray** giving thanks for her retirement gift presented at a recent dinner in her honour.

She expressed her happiness at having spent so many wonderful years at Jamboree Heights and sends her best wishes to the parents and children of Jamboree for the future.

SMARTY ANTS

We are very sad because no one has asked us anything! Email any question to info@jhss.com.au, or visit www.jhss.com.au

October

Mon 8th School resumes

PUT YOUR EVENT HERE AND LET PEOPLE KNOW!!

FREE LUNCH!

The Tuckshop continues to go from strength to strength and turnover is at an all time high.

This means that an extra person each roster is required to continue running the Tuckshop at its new, exciting level.

Drop in or call our friendly convener Maryanne to offer your time.

A great lunch is included, the Tuckshop is air conditioned and kids love to see mum or (especially) dad in the Tuckshop.

FATHERS DAY STALL THANKS!

Thank you once again to **Gwenda Stevens** for her tireless efforts in putting together the father's day stall craft items especially so close to the workload of the recent fete.

If she is looking a little tired it is because of the many late nights she put in to enable the children to reward their dad with that special gift.

SCHOOL HALL FACE LIFT

Our school hall was built some 7 years ago and is regularly hired out to local community groups. It is now time for us to consider some maintenance work on this building.

A careful examination has shown up quite a number of jobs that need urgent attention. Funds will be allocated from P & C to get started on these soon.

Contact from tradespeople regarding this would be great, as without you, the work can't be done!

SAFER SCHOOL FRONT GATE

Discussions were held at the last P & C meeting in regard to the safety of our children entering and exiting the school.

Currently the drop off zone is outside of the school hall meaning that the children then have to cross over the driveway of the office car park.

We feel that it is too dangerous and we are investigating a second entrance way that will mean no need to cross this driveway. The current entrance will stay for children walking/cycling to school but drop offs will enter via a new entry near the hall. Plans and quotes are being sourced to make this happen in time for the new year.

Please **let us know** if you have any suggestions or comments regarding this plan so we can take into account your ideas.

BCC GRANT MONEY UPDATE

As we know, the Brisbane City Council allocated **\$90,000.00** funding to our school for road improvements to help our difficult traffic situation.

Out of the 13+ great ideas put forward and voted for by you, the following are being put into action:

- Extending the 2 minute zone on Beanland St
- Re-painting the kerb of the 2 minute zone in Beanland St
- Re-signing the 2 minute zone in Beanland St

As this is your school, and your children's safety on the line, please let us know what you think, either by email: info@jhss.com.au or contact us online: www.jhss.com.au.
