### TRAFFIC UPGRADES

Thank you to everyone who has already given us their opinions on the traffic upgrades. But we still need more feedback!

We had new lines marked and signage for the 2 minute zone on Beanland Street and an improved pedestrian island on Patrol Street, completed in the September holidays from the \$90,000 BCC Grant.

**We need to know what you think** of the improvements so we can give feedback to the BCC.

So please let us know what you think here:

Fun things and snacks on sale all night unless we run out and a Sausage Sizzle will also be on!

We need helpers for this night to be a success, so please let us know when you're coming to help out!

#### Parents please note:

This is a P & C run event and as such we **do not** take responsibility for your children's supervision. It is required that all **JUNIOR** students be supervised by an appropriate parent/guardian.

For safety reasons students will **NOT** be permitted to leave the school grounds unaccompanied by their parent/guardian. You are required to collect your child/ren from in front of the hall. Please do **NOT** park at the gates and call your child/ren to the car as they will **not be allowed to go.**

If these simple safety measures are not adhered to, future discos may have to be cancelled. This would be a let down for the children as they enjoy the disco nights greatly, so let's not see that happen.

### LUNCH PIRATES !

It has been reported that we have a few little Jack Sparrow's around the school who like to lay their hands on the "treasure" of someone else's lunch.

We appeal to them to please cease this behaviour as it is not only stealing, but it is very upsetting, especially to the younger grades, to find their lunch missing.

We also appeal to parents to use this opportunity to have a chat to all children about correct behaviour and thinking of other people's feelings.

**There are also children with allergies and other medical conditions who will be in serious medical danger if their lunches are tampered with or taken.**

This is a serious issue, so please take the time to bring it up with your children and hopefully we can see an end to this anti-social, unpleasant behaviour.

## TUCKSHOP & UNIFORMS

Tuckshop's last day will be **FRIDAY THE 7<sup>TH</sup> OF DECEMBER**.

We will re-open on **TUESDAY THE 29<sup>TH</sup> OF JANUARY** for uniform shop supplies only.

Then normal opening days will apply.

If you would like to spend some time with us next year, let us know now! We are looking into plans to open an extra day, so we need your help!

## MANAGER REQUIRED

OSHC is looking for a part time manager for the centre. Beginning at 5 hours per fortnight, this job would be strictly "paperwork" based, so no child care experience is necessary. However a valid blue card will be required.

A prior knowledge of child care (preferably) or some management will be an advantage.

Please contact the OSHC direct, or the P & C using the contacts on this newsletter if you would like to apply or find out more.

## P & C THANKS

As we have had the last meeting for 2007, I'm sure everyone will be glad to say thank you to our committee and great volunteers for all the work they have put in this year. We have had many great successes, shared with the school, this year like the Fete, OSHC's new building, the sports shed, the Media Centre and all the great landscaping going on. As another previous article said, we will be losing a few familiar faces next year and really need to replace them.

So watch our for our AGM notice and help us give your children their best education.
