### TRAFFIC UPGRADES

Thank you to everyone who has already given us their opinions on the traffic upgrades. But we still need more feedback!

We had new lines marked and signage for the 2 minute zone on Beanland Street and an improved pedestrian island on Patrol Street, completed in the September holidays from the \$90,000 BCC Grant.

**We need to know what you think** of the improvements so we can give feedback to the BCC.

So please let us know what you think here:

### MANAGER REQUIRED

Thank you to everyone who has expressed their interest in this position. More information is currently being finalised and will be coming to you soon.

OSHC is looking for a part time manager for the centre. Beginning at 5 hours per fortnight, this job would be strictly "paperwork" based, so no child care experience is necessary. However a valid blue card will be required.

A prior knowledge of child care (preferably) or some management will be an advantage.

Please contact the OSHC direct, or the P & C using the contacts on this newsletter if you would like to apply or find out more.

### OSHC 2008

Get in early to book your place in our great Outside School Hours Care for 2008.

### LAST NEWSLETTER !!

This is the last P & C Newsletter for 2007. We would like to say a big thank you to the members of the P & C who made the newsletter possible, and to all the parents who read and responded to the articles.

It is increasingly difficult to keep in touch with parents even with all the modern technology. And it is increasingly important that we do.

So thank you to everyone who has supported our newsletter and we will be back next year, so remember to watch out for the yellow paper, or better yet, sign up to receive the newsletter by email!!

### GREAT DISCO AND THANKS

Another fun and successful Disco was held on the 30<sup>th</sup> of November.

We need to thank all the parent and teacher volunteers because without you, there would not be a Disco.

And we need to thank the parents that stayed to supervise their children, and picked them up correctly. It made the event much better and safer.

### WWW . JHSS . COM . AU

We also need to thank the people involved in getting our website happening this year and keeping it up to date. We are really pleased with its progress and have had great reports from parents and visitors.

If you haven't had a look yet, please do over the holidays and we'd love to hear from you, even anonymously! Don't forget to sign up for the newsletter while you're there and never miss out on the latest information!

### TUCKSHOP & UNIFORMS

We will re-open on **TUESDAY THE 29<sup>TH</sup> OF JANUARY** 7:30 -9:00 am for uniform shop supplies only.

Then normal opening days will apply.

If you would like to spend some time with us next year, let us know now! We are looking into plans to open an extra day, so we need your help!

## P & C THANKS

As we have had the last meeting for 2007, I'm sure everyone will be glad to say thank you to our committee and great volunteers for all the work they have put in this year. We have had many great successes, shared with the school, this year like the Fete, OSHC's new building, the sports shed, the Media Centre and all the great landscaping going on. As another previous article said, we will be losing a few familiar faces next year and really need to replace them.

So watch out for our AGM notice and help us give your children their best education.

All positions below will be vacant so come and give it a go!

- President (shared if needed)
- Vice-President
- Secretary (and Assistant)
- Treasurer (and Assistant)
- QCPCA Representative
- Fundraising Co-ordinator
- Grants Co-ordinator
- OSHC Liaison
- Healthy Food Choices Liaison
- Health Management Liaison

This last position is particularly important as the levels of students with allergies and other health issues is increasing, and we need to be able to support them. A committee will also be formed next year to advise and assist with future planning and strategies to help achieve the goals set. We need your help in setting the goals and working towards them, so let us know if you have an interest in this area and can help us make the right plans.
