NEXT MEETING – 18th JUNE, 6:15 PM IN THE STAFF ROOM

CONGRATULATIONS

We are delighted with the response to our sponsorship packages of the World Food Fair/Fete this year! So far we have almost **\$5000.00** pledged in sponsorships and donations!

We already have:

- DIAMOND SPONSOR **Shen Therapies** providing sponsorship for the fireworks
- Joint PLATINUM SPONSORS **Rolscar Smash Repairs & Tyre And Mechanical; and Steeline Garages** providing sponsorship for the Ripcord Skydivers
- GOLD SPONSOR **Spin And Yoga**
- A generous donation by Jan Bruinsma of a brand new BBQ!
- **Batt Art, Skinessence Australia, Majans** and more!

So don't miss out! Get your business recognised in the local area and sponsor our World Food Fair!

Contact Nicole on 3712 0263, or info@gjh.com.au ... but HURRY!

GET YOUR GIRLS ACTIVE!

MINKY HOCKEY PLAYERS NEEDED!!

South West United Women's Hockey Club are looking for some new players in our Minky division. They are our youngest players, and as such only play on a quarter field (approx), and have very few rules to learn. It is fun, great for hand eye co-ordination, self confidence and team skills and the coach is JHSS very own P & C secretary, Nicole O'Brien!

SWU is **desperately** seeking 1 more girl to fill our Minky team to the needed 8 players. If we don't have 1 girl sign up, our small Minky team **will not be able to play at all this year**. So if your girl is in grades 1 or 2 please consider the great benefits of her beginning a sport now. PLEASE don't think someone else will fill up the places and you will miss out!! We take as many girls as we can, in teams of 8, so get a few friends and join up together!!

PLEASE call Pauline on (07) 3371 9451 or Nicole on (07) 3712 0263 **NOW!!!!**

FUNDS GRANTED FOR PROJECTS

A big THANKYOU to **Mt Ommaney Mitre 10 and Landcare Australia** for providing the funds for our new "Water-wise sensory garden" outside the Special Education Unit and to all the staff, pupils and parents who helped out. We hope to plant some trees to provide shade to the waiting area at the front of the school over the next few weeks. Over the next 6 months we would like to tackle "the Jungle" (supposedly an Environmental Learning Centre if you look on the school map) and clear the weeds and rubbish to enable the children to reuse this area which is currently "off-limits". Offers of assistance will be gladly welcomed!

The P&C has also drawn up plans to refresh the front entrance, provide more shade and a protected area for the children to wait. We are currently obtaining quotes for this work. We encourage you to get involved with the school – whether it be by helping out with the "Jungle" clearance, helping at the fete, coming along to a meeting or feeding back to us on things that you are interested in.

The P&C has donated \$10,000 to the school this month with another \$10,000 to be given in September towards the aims of providing a safer and cooler environment for our children. The upcoming fete will allow us to further add to this goal of enhancing our school front entrance and towards the goal of air conditioning the library and computer rooms.

SMARTY ANTS!

Q: *Surely there is something that can be done about the atrocious traffic conditions outside the school at 3 pm?!?! Why hasn't anyone done anything or asked the BCC to step in???!?!?!* – Mrs "Traffic Rage"

A: There certainly are things that can be done about the traffic situation around the school at 3pm. Parents can organise alternate pick up places with their older children, they can park away from the school and walk, but the most important thing is patience and adhering to the law. Petitions and requests are constantly send to the BCC, and other government, however everything takes time, and the louder the voice, the more they response. So stay calm at pick up time, and direct your ideas to the P & C Safety Committee at a meeting, or to the BCC.
