Our great Mother's Day Stall has come and gone, but the volunteers are never forgotten.

We need to make special mention to Gwenda Stevens for creating so many lovely things for our children to buy for us.

She is also the convenor of our fete craft stall so there are plenty more great things to come! To help her out, please contact us here and we will get the message to her. **OR** you can drop some plastic shopping bags off to the office, **AND** we also need a lot of coloured cellophane to wrap the goodies in.

SMARTY ANTS

In a follow-on from last episode of the Smarty Ants, they have a great announcement to make.....

JHSS has been chosen to receive \$90,000.00 in Council funding to improve roads and travel safety directly around the school!

There will be a separate sheet sent home this week with a short survey on what you would like done with this money.

We have a few ideas already from the last P & C meeting, and these will be listed as examples on the sheet.

Please take the time to fill in this survey, as we're sure the road conditions around the school are as annoying for you as they are for us!

Next time you are sitting, waiting to pick up the children and wondering "why doesn't someone do something about this problem?", write it down and tell us!

Here are some of the common laws broken around our school every day to get you thinking:

NO cars inside the school grounds at drop off and pick up times

NO parking, getting out of the car, or stopping for longer than **2 MINUTES** in the **2 Minute Zones** outside the front gate, **Patrol St** and the side gate on **Horizon Dr**

NO standing or parking in the zone outside the old Preschool between **3:00 and 3:30 pm**
