P & C MEETING - TRAFFIC

At the last P&C Meeting our primary focus of discussion was the traffic situation around the school. We were fortunate to have guest speakers including Cr Matthew Bourke BCC, Harry Dodd BCC, Julie Attwood and Peter Wilkes QLD Transport.

Concerns included:

- Parking in the Beanland St loading zone
- Congestion in Beanland St
- Right hand turns in Beanland St adding to congestion

Solutions included:

- Supervised loading zone in Beanland St
- Increased Police presence
- Driver education
- Increasing the Walking School Buses
- Encourage bike riding to school
- Car Pooling
- Parking 500m away and walking
- Double white lines in Beanland St
- JHSS Bus for the surrounding Suburbs

Ultimately the solution lies with all of us who use the roads around the school. We can all make small changes that will improve the situation and increase the safety of our children.

It was also announced that the State Government and the Brisbane City Council have jointly funded a pedestrian and bike path from the side gate (behind the Kindy) to Beanland St (behind the skate ramp) and joining with the bridge and walkway linking to Loffs Rd. Preliminary plans can be obtained from Cr Bourke's office. Construction will be Jan – Feb 2009.
