### JOKE OF THE MONTH

#### When Tech Support Just Isn't Enough - Part 4

"Well, there are. I need you to look back there again and find the other cable."

[Muffled] "Okay, here it is."

"Follow it for me and tell me if it's plugged securely into the back of your computer."

[Still muffled] "I can't reach it."

"Uh-huh. Well, can you see if it is?"

[Clear again] "No."

"Even if you maybe put your knee on something and lean way over?"

"Oh, it's not because I don't have the right angle - it's because it's dark."

"Dark?"

"Yes - the office light is off and the only light I have is coming from the window."

"Well, turn on the office light then."

"I can't."

"No? Why not?"

"Because there's a power outage."

"A power outage? Aha! Okay, we've got it licked now. Do you still have the boxes and manuals and packing stuff your computer came in?"

"Well, yes, I kept them in the closet."

"Good! Go get them, unplug your system and pack it up just like it was when you got it. Then take it back to the store you bought it from."

"Really? Is it that bad?"

"Yes, I'm afraid it is."

"Well, all right then, I suppose. What do I tell them?"

"Tell them you're TOO SILLY TO OWN A COMPUTER!!!"
